CUSTOM MADE **LUXURY**

We are a product-driven company, creativity is our driving force for every new project. We develop your wishes and ideas in order to produce the perfect product.

Our motto is „Excellence before everything“.

We equip yachts in accordance to client requests so that we can make their stay on the vessels pleasant and comfortable, ensuring that they are well-protected from all weather conditions. We are unique, innovative, original, our job is interesting, challenging, with each task being special and different. We do everything with style, always finding state-of-the-art solutions as well as following fashion trends in the nautical world.

High ISO standards are used in production and Croatian chamber of economy granted us with the sign of Croatian quality, which only products and services of premium quality are granted with.

Since 2001. we have developed a respectable portfolio of completed work projects and clients to whom we are always at service with our fresh creative ideas, customer care and support.

ARGOLA MANAGEMENT

CREATIVITY

– THE SPIRIT THAT DEFINES US

When we suggest a cover, we take the full picture of usage into consideration.

For this reason, no two Argola covers are ever the same. And for the same reason, we will always go the extra mile to be certain that your covers last a long time.

As with all aspects of the Argola experience, we pride ourselves on our quality of service. From initial meetings right through to completion, we are on hand to assist you throughout the process

TIMELESS ELEGANCE

As well as designers in the fashion world, our work allows us to express our creativity through the textile design of your yacht. All the materials we use in our production have impeccable standards of quality and a wide range of colors and textures.

MAKE IT YOUR **SIGNATURE**

Getting it right is so often just about the details. Complete the look on your yacht with personalized items and create a relaxed and pleasant onboard atmosphere.
